

SAT INSTALLATION & REGISTRATION PROCEDURE

1. Download the SAT application file from the website www.comely.co.in (*Products – SAT - Download*)
2. Ensure Data and Amibroker are closed while installing SAT.
3. Run the SAT as administrator. (Right Click on SAT application – Properties – Compatibility - Privilege level)
4. Click on the left top corner of the SAT login window for the user registration.

5. Enter the fields in the below registration form and finish the registration.

A screenshot of a dark-themed registration form. At the top right, there is a close button labeled "X". The form contains several input fields: "USER NAME", "NAME", "PHONE", "E-MAIL", "O S", and "AMI VERSION". The "O S" field is a dropdown menu with "WINDOWS 8/8.1 (32 Bit)" selected, and a note "XP Not Supported" is displayed next to it. The "AMI VERSION" field is a dropdown menu with "AMIBROKER 5.9" selected. To the right of the "USER NAME" field, there is a button labeled "AVAILABILITY". At the bottom of the form, there are two buttons: "CANCEL" and "REGISTER".

6. After successful registration send an email to support@comely.co.in for activating the free trial.
